MEMORANDUM FOR: E. H. Knoche
Acting Director

SUBJECT : General Giller and NIO for Nuclear Proliferation

1. General Giller called today to say that he hoped you would consult with him before finally settling on the new NIO for Nuclear Proliferation. He added that ERDA has qualified candidates, but unfortunately could not spare any.

2. I checked with Dick Lehman, who advised that he is preparing a letter to be sent out asking for nominees, so it would appear selection is a ways off.

3. General Giller wanted a "contact point" on this subject, whatever that means. If you agree, I will suggest Dick Lehman -- or should I just say that  or I will call him when you are ready to see him?
